

About Dolphin Energy Healing & Personal Session Offerings

Hello, my name is Linda Shay. I am the founder of Dolphin Heart World, and the author of **Dolphin Love ... From Sea to Land**. It is a privilege and a joy for me to share the beautiful healing energy gifts that the dolphins bring. The following pages provide an introduction to the variety of services we provide at Dolphin Heart World. Thank you for your interest! I look forward to sharing these gifts with you soon!

What is Dolphin Energy?

Dolphin Energy is ... the frequency of **Joy**

of **Movement**

of **Creating Flow** ...

flow of **Love**

flow of **Abundance**

an **Opening of the Heart**

... **as never before!**

What is Dolphin Energy Healing?

- Dolphin Energy Healing is a deeply respectful, highly advanced form of **spiritual energy healing**, performed by the Dolphin Consciousness, (affectionately known as “Dolphin”), and facilitated by me, or by one of the many Dolphin Energy Practitioners I have personally trained and certified.
- Dolphin Energy Healing is not about fixing something that is wrong. It is about **nurturing the wholeness that already exists within**, and bringing that wholeness to the surface.
- You will receive the same energy that you would receive if you were **swimming with the dolphins physically** ... and often more!
- Sessions can be performed **in person** or **at a distance** (by telephone or Skype).

What Can I Expect From a Dolphin Energy Healing Session?

- **Heart-healing** ~ Do you want your heart to be more healed and whole? More open? Do you want more love in your life?

“It is our desire to heal the hearts of humanity – all of humanity.” ~Dolphin

Heart healing is an area of specialty of the dolphins – both the physical heart and the spiritual heart. As our hearts heal and become more whole, we are better able to give and receive love in our lives, starting with ourselves. Your entire quality of life will improve when your heart is more healed and whole.

- **Fill Your Cup!** ~ Are you feeling overwhelmed, depleted, directionless, depressed?
Fill your cup with Dolphin Love, Joy, Insight & Inspiration. Dolphins hold the vision of a JOYful and LOVE-filled life for all of us. If you’re not living in Love and Joy much of the time, Dolphin would love to share their gift of healing energy with you.
- **Whole Being Healing** ~ Are you seeking the return to health, well-being, and wholeness on the physical level? Emotional? Mental? Spiritual? All of the above?
Dolphins are master healers. They don’t work in a linear way, on one issue or one area at a time. The dolphins are holographic and multi-dimensional. They are able to make adjustments on multiple levels simultaneously. The more open you are, and the more permission you give, the more they can do in a single session.
- **Whole Brain Functioning** ~ Another area of specialty of the dolphins is our brains. A term I often hear, during a session of this nature, is “Whole Brain Functioning.”

- **Transformation** ~ Dolphin says, “*Love Heals. Joy Transforms!*” The Frequency of Joy is a transforming engine. Joy raises your base frequency and elevates your awareness to a higher state of being. From this higher state of consciousness, perceptions shift in a heartbeat, and transformation occurs quickly and easily. Dolphin Energy Sessions are deeply transformative!
- **A Good Place to Start!** ~ Receiving a Dolphin Energy Healing Session is a wonderful way to begin your journey with the dolphins.
- **Dolphin Energy Session** ~ 1 hour ~ \$100

What Can I Expect from a **Personal Journey Session**?

Consider this a **Dolphin Energy Session Plus!** Dolphin has told me that there are a number of you who would love to further your journey along this path with me in a more personal way – to receive individualized attention and mentoring.

These sessions are guided and customized just for you, and they’re more interactive. They include **extensive personal interaction with me**, as well as **a full energy session**. While Dolphin is still the predominant spiritual presence in these sessions, other beings join in as well, depending upon what your soul is calling in.

A **Personal Journey Session** may be for you if:

- You’re ready for a **significant shift** in your life. You’re feeling stuck or held back by old patterns and limiting beliefs that no longer serve you. These sessions are a powerful catalyst for change.
- You’re ready to open, or expand, to a **new level of expression** of your spiritual gifts in the world.
- You would like access to the **wisdom and learnings** I’ve received from Dolphin, as they pertain to your unique situation.

Here are some ways **Personal Journey Sessions** differ from pure **Dolphin Energy Sessions**:

- **The energy of Ocean** is an active participant in these sessions, bringing her powerful healing qualities of cleansing, purifying, harmonizing, and balancing. In these sessions, the synergistic dance between Ocean and Dolphin is profound and magical.
- My whole body is fully engaged in these sessions. These sessions generally begin by *my body channeling your body*. Through **whole-body movement and sound**, a massive amount of releasing and letting go of old, stuck, sticky energies occurs, quickly.
- Your **soul song** may come through, deepening your connection with your own soul!
- Often, **messages come through** in these sessions – from Dolphin, other spiritual sources, or your soul.
- **Personal Journey Session** ~ 1 ¼ hour + follow-up 20-minute phone call 2 weeks later ~ \$188

I will record your session, so that you can listen to it again later. MP3 files are no additional cost. A CD is \$8 (\$5 for the CD + \$3 for mailing in the U.S. Shipping costs vary for international).

What Can I Expect From A [Dolphin Attunement Journey](#)?

The [six Dolphin Attunements](#) are the unique gift that I have been given to share in the world. They are a direct result of my own personal 7-year inner journey with Dolphin that culminated in my awakening in January 2003. I tell the story of this remarkable journey in my book: [Dolphin Love ... From Sea to Land!](#)

What is the difference between [Dolphin Energy Healing](#) and the [Dolphin Attunements](#)?

When you receive Dolphin Energy Healing, you are *imbibing of* the Dolphin Energy. When you receive the six Dolphin Attunements, you are *choosing to become this energy* – *choosing to become the source* – *choosing to allow your very nature to be transformed, so that you are the source*. This becomes very clear after the Sixth Attunement.

From 2003 through 2010, the Dolphin Attunements had to be given in person to groups – to “pods.” During that time, it was only possible to receive the Dolphin Attunements by participating in the [Dolphin Healing HeArts](#) six-weekend program (that spanned 15 months in time), that my husband, David, and I traveled and taught in the U.S. and The Netherlands.

The wonderful and exciting news is that it is now possible for you to receive the six Dolphin Attunements from a distance, in the comfort of your own home! You will join together with other Dolphin Attunement Journey podmates from around the world, in a virtual pod, to receive the extraordinary gift of each Dolphin Attunement.

The Dolphin Attunements are truly profound, sacred, and unique! For more information about them, call or e-mail me and ask for your [Dolphin Attunement Journey](#) information packet.
