

Dolphin Healing HeArts...

A Gateway to the New Paradigm

Weekend 1 ~ The Frequency of JOY ~ Information Sheet

*“Divine Joy outlasts everything. It is enduring.
When all else melts away, that Joy remains.”*

~Paramahansa Yogananda

Joy is the foundational frequency that the dolphins embody. Joy is a gift they bring to humanity, and to planet Earth. The dolphins have told us...

Joy is not a place to get to...it's the place to start!

So our Dolphin Healing HeArts journey begins...with the Frequency of Joy!

~~~

#### ***About the Journey...***

The Dolphin Healing HeArts journey is a 15-month immersion in Dolphin energy & consciousness. During the 15 months, we gather together as a pod 6 times to receive the gifts and teachings of the dolphins. Each gathering takes place over a weekend -- Friday night, all day Saturday & Sunday. The weekends are scheduled approximately 3 months apart, to allow for integration time.

Weekend 1, The Frequency of Joy, is our Introductory Weekend. This Joy Weekend is profoundly valuable by itself, and you can attend it with no further obligation. Experience this weekend and discover if this journey resonates with your heart. Come get your flippers wet! The water's great!

Each Dolphin Healing HeArts weekend weaves these 3 elements into a flowing tapestry of experience:

The **Dolphin Attunements** are a unique series of 6 spiritual initiations that are transmitted directly by the Dolphin Consciousness. You will receive one Dolphin Attunement at each Dolphin School weekend. Through receiving these attunements, you will be attuned to the frequency and consciousness of the dolphins. The 6<sup>th</sup> Attunement results in a merging of the human and dolphin consciousness, creating a new quality of consciousness on planet Earth. This is a profound gift the dolphins are giving to humanity, through Dolphin Healing HeArts, at this time.

The **Dolphin Living Skills** are about embodying, and expressing, this new quality of consciousness in our daily lives, and especially in our relationships. The dolphins *are* where we are *going*. They are energy masters. They model a way of living and being that is a reflection of our true & natural state...a state of Love...a state of **Unity-Community**. Immersed in Dolphin Love & Pod Mind, we enter into this state together. Our hearts heal. Our lives transform.

**Dolphin Energy Healing** is the unique energy healing modality that the wild Hawaiian spinner dolphins imparted to Linda during her first encounter with them in 1996. In a Dolphin Energy Healing session, the practitioner acts as a vehicle for the energy and consciousness of the dolphins. *The client receives the same energy that she would receive by swimming with the dolphins physically, and often more.* All podmates in Dolphin Healing HeArts receive training in Dolphin Energy Healing. A certification program is available.

*First and foremost, this is a journey of personal healing, growth and transformation.* It is no longer necessary to swim with the dolphins to receive their love and their gifts. Dolphin Healing HeArts is a living demonstration that the consciousness of the dolphins does, indeed, transcend physicality, time and space. *We invite you to receive the heart-opening energy of the dolphins. Come play!*

## Meals & Lodging

Your tuition price does not include meals or lodging. We create a shared luncheon table on Saturday and Sunday, with everyone bringing a contribution. We've found that it's deeply nourishing—not only for our bodies, but for our hearts and souls, too—to stay in the energy of the dolphins, and the pod, during our lunch breaks. It's FUN, too! This is precious bonding and getting-to-know-one another time.

If you are in need of lodging, one recommendation is the Marina Bay Resort in Fort Walton Beach. Their website is: [www.marinabayfla.com](http://www.marinabayfla.com). If you're open to having a roommate(s), to share costs, let your organizer know. She'll put you into contact with other podmates who would also like to share a room.

## How To Register – Joyfully! ☺

Fill out and send in the **U.S. Course Registration Form**, along with your deposit or full tuition payment. Upon receipt of your registration and payment, we will send you a **Welcome Packet**.
